

BY TATSU TSUTSUMI

Nariyuki Yuiga is a self-professed super student. He's not naturally gifted in the sciences or arts like his classmates Rizu and Fumino, but he does have pluck and persistence! He's such a good student that he finally realizes his dream of obtaining a scholarship to college, which is a great relief since his family is dirt-poor! But there's a catch...

PREVIOUSLY IN *WE NEVER LEARN*:

Three prodigies + three difficult subjects + one desperate tutor = DANGER!

Yuiga has his hands full trying to help three students succeed in their worst subjects. Fumino is an ace in literature but wants to study science! Super athlete Uruka's preferred university requires English proficiency, but she hates to study! And math whiz Rizu is determined to major in the humanities. But if Yuiga somehow succeeds, he'll get the scholarship he needs to attend his college of choice!
